

## GAME CONTENT MANAGER

Does the adrenalin rush of a quickfire quizzing round excite you? Can you gauge the needs of an addicted gamer? Planning strategies to acquire and retain users sounds like fun? Think you can engage people with your language and narrative skills? If a resounding 'Aye! Aye!' rang aloud inside your head for all the above questions, guess what? Our quizzing app (<http://bit.ly/1J1RoOm>) is on its way to becoming viral, and we at ConveGenius (<http://convegeniusglobal.com>) would love you to be a part of our young and dynamic team!

### *Key Responsibilities*

- ✓ Chalking out a strategy for pushing content onto our gaming platform with a goal to acquire and retain users
- ✓ Standardisation and Quality Analysis of content to be used on the app
- ✓ Innovation with respect to user engagement and satisfaction driven primarily by content
- ✓ Research work and knowledge enhancement to consistently improve on the spread and depth of the content provided on the app platform
- ✓ Effectively managing a team of Content Developers
- ✓ Work as a team player but willingly accept individual responsibility for designated tasks and for the achievement of set goals

### *Competencies/Requirements*

- Excellent written and oral communication skills in English
- General interest in a wide variety of topics and a voracious appetite to learn and explore newer horizons
- Organisational Management: Preferably experienced in leading a team of content developers/designers
- Previous quizzing experience would mean a definite brownie point!

Can you feel your creative juices flow? Excited about the opportunity? Drop us a line at [careers@convegeniusglobal.com](mailto:careers@convegeniusglobal.com) with the job heading as subject and attach your most recent resume, and we will tring-tring you asap!
